GRIMM'S FAIRY TALES KNOIST AND HIS THREE SONS

Jacob Ludwig Grimm and Wilhelm Carl Grimm

Grimm, Jacob (1785-1863) and Wilhelm (1786-1859) - German philologists whose collection "Kinder- und Hausmarchen," known in English as "Grimm's Fairy Tales," is a timeless literary masterpiece. The brothers transcribed these tales directly from folk and fairy stories told to them by common villagers. Knoist and His Three Sons (1812) - A short tale about Knoist's three sons, one who was blind, one who was lame, and the other who was stark naked.

KNOIST AND HIS THREE SONS

BETWEEN Werrel and Soist there lived a man whose name was Knoist, and he had three sons. One was blind, the other lame, and the third stark-naked. Once on a time they went into a field, and there they saw a hare. The blind one shot it, the lame one caught it, the naked one put it in his pocket. Then they came to a mighty big lake, on which there were three boats; one sailed, one sank, the third had no bottom to it. They all three got into the one with no bottom to it. Then they came to a mighty big forest in which there was a mighty big tree; in the tree was a mighty big chapel; in the chapel was a sexton made of beech-wood and a box-wood parson, who dealt out holy-water with cudgels.

"How truly happy is that one Who can from holy water run!"
