**GRIMM'S FAIRY TALES
SWEET PORRIDGE**

Jacob Ludwig Grimm and Wilhelm Carl Grimm

Grimm, Jacob (1785-1863) and Wilhelm (1786-1859) - German philologists whose collection "Kinder- und Hausmarchen," known in English as "Grimm's Fairy Tales," is a timeless literary masterpiece. The brothers transcribed these tales directly from folk and fairy stories told to them by common villagers. Sweet Porridge (1812) - A hungry little girl meets an old woman who gives her a magic pot that cooks porridge on command. One day when the girl is out her mother tells the pot to cook but forgets the command to make it stop.

SWEET PORRIDGE

THERE WAS a poor but good little girl who lived alone with her mother, and they no longer had anything to eat. So the child went into the forest, and there an aged woman met her who was aware of her sorrow, and presented her with a little pot, which when she said, "Cook, little pot, cook," would cook good, sweet porridge; and when she said, "Stop, little pot," it ceased to cook. The girl took the pot home to her mother, and now they were freed from their poverty and hunger, and ate sweet porridge as often as they chose.

Once on a time when the girl had gone out, her mother said, "Cook, little pot, cook." And it did cook and she ate till she was satisfied, and then she wanted the pot to stop cooking, but did not know the word. So it went on cooking and the porridge rose over the edge, and still it cooked on until the kitchen and whole house were full, and then the next house, and then the whole street, just as if it wanted to satisfy the hunger of the whole world; and there was the greatest distress, but no one knew how to stop it.

At last when only one single house remained, the child came home and just said, "Stop, little pot," and it stopped and gave up cooking, and whosoever wished to return to the town had to eat his way back.

THE END
